

## **Reciprocal Web Site Linking Policy**

Lambros Real Estate ERA is committed to working with other organizations that share our aims and values and encourages the development of websites that will help promote knowledge, understanding and services to the business of real estate.

We are happy for other organizations and individuals to link from their own websites to the Lambros Real Estate ERA website but any such links must not infer any endorsement or sponsorship by Lambros Real Estate ERA of your products, services, or site content (including any opinions expressed therein). Nothing on your site should imply that any part of the Lambros Real Estate ERA site is part of your own site and any page or file that you link to on Lambros Real Estate ERA site must be called with its URL displayed.

Lambros Real Estate ERA retains the right to withdraw permission to link to our site without explanation or notice if we think that such links are excessive or inappropriate.

### **Requests for reciprocal links**

Lambros Real Estate ERA receives numerous requests from other organizations and individuals for reciprocal website links. When considering requests for links from our website to other websites we use the following criteria.

Web sites that we link to:

- must be directly related to real estate
- must be of interest or benefit to our viewers
- must be a commercial web site

If we grant permission to place a link to your web site on the Lambros Real Estate ERA web site, you must reciprocate the process and place a link on your web site to the Lambros Real Estate ERA web site. We reserve the right to waive the requirement of a reciprocating link.
